) Case Filed: November 9, 2018

The Court requested a joint update on the status of the parties' proposed settlement agreement. The parties provide the following update:

The parties finalized the terms of the proposed settlement agreement on July 18, 2022.

The proposed agreement must be approved by the Oakland City Council in an open session. Unfortunately, this item was not scheduled on the agenda for the final City Council meeting before the summer recess. The item is tentatively scheduled for the first City Council meeting after the summer recess in late September 2022. The City anticipates having final authority to execute the parties' settlement agreement no later than October 1, 2022. Although Defendants' counsel very diligently endeavored to have the parties' proposed settlement agreement approved prior to the summer recess, it was not possible with internal scheduling and prioritization of other items beyond counsel's control.
